

"Partnering globally with Alliance churches to give high school students a missional experience."

June 27th - July 7th 2012

(leaving Wednesday, returning Friday ***dates still subject to change by one or two days***)

CCD Youth is providing an opportunity for high school students to have a missional experience "short term for the long term". We encourage students that are going into grade 11, 12, or graduating high school to apply.

- Applications forms are due November 30th, 2011.
- Application forms must be filled out with the youth pastor or key youth leader retaining a copy.
- \$100 deposit must be collected along with the application.

Our History:

Mission Peru started with a scouting trip by four youth pastors from the CCD in November of 2007. Out of this trip, the partnerships, as listed below, were formed. In the summer of 2008 about 40 people, students with their youth leaders, participated in Mission Peru; in 2009 nine people representing 3 different churches; in 2010 72 from nine churches; and in 2011, 31 from four churches. This year, we anticipate another team of 50 plus people.

Our Partners:

- CCD Youth (Youth Ministries across the Central Canadian District)
- Rich and Lisa Brown through Inca Link www.incalink.net
- The network of Peruvian Alliance Churches in Trujillo, Peru.

Our Accommodations:

There is a group guest house that was started by American Alliance Missionaries, fully staffed by Peruvian Alliance Church members with full time on site security. It provides superb housing for short-termers. Pictures are available online at www.missionperu.ca

Our Cost:

The information below is for individual church key leaders and their administration of this trip.

- Total Cost: \$ 2,300 CAD
- Please make cheques:

Payable to: **Central Canadian District**

Memo marked: **Mission Peru**

- Mail a deposit of \$100 per member of your team by December 15th, 2011.
- \$1,100 by March 1st (per team member)
- \$1,100 by April 25th (per team member)

Our Reminders:

- Make sure everyone applies for their passports immediately.
- Please consult your family doctor regarding your travel plans. They and *they alone* will be recommending the shots for this trip. The cities you will be visiting are Lima and Trujillo, Peru.
- We recommend that each team member use our group rate plan with JDS Travel Insurance. We receive a very competitive group rate for all of our team members. Details on this will be e-mailed to team leaders.

Our Group Project:

“Will you get on the Bus?”

Consider this project for Christmas of 2011 with your youth group and their families, how about the whole church? To date, \$8,000 has been raised with a goal of raising at least another \$22,000 for purchasing a bus for the kids at the orphanage. “Will you get on the Bus?”

Please visit www.missionperu.ca for more details.

Our Fundraising:

Recommended Method: “1/3rd, 1/3rd, 1/3rd”

- 1) 1/3rd of the cost for the trip should be “self-funded”, a decision by the participant to buy ownership of their trip, and demonstrate their personal commitment.
- 2) 1/3rd of the cost for the trip should be raised as a team through team fund-raisers, such as car washes, dinners, bake sales, auctions, golf-tournaments, etc.
- 3) The final 1/3rd of the cost of the trip should be fund-raised through personal letters requesting support. These letters should be mailed to people outside the church, such as grandparents, neighbours, teachers, colleagues, friends, etc, with the local church acting as the tax receipting agency.

Note: A sample letter template is available upon request outlining details of the project.

Our Group Training Date:

Mandatory participation from all team members

All team members are required to attend a Team Training Day that will be held in Windsor, at Heritage Park Alliance Church on April 14th 2012 from 10am-4pm. (Lunch provided)

As a network of youth pastors from the Central Canadian District of the Christian and Missionary Alliance, we are excited to provide a short term opportunity for our students that has a long term partnership with Alliance churches in Peru and the work that God has called them to. I am honoured to be charged with leading and promoting **Mission Peru**, and am excited to be contacted by your church or students within your church in the near future.

Sincerely,

Jeff Enns
